

# The Synthetic Phonics Reading and Spelling Advantage

Synthetic Phonics has proven to be the fastest and most efficient way to teach early reading and spelling. Leading schools right across Australia are seeing their NAPLAN literacy results rocket - due to one simple change - Synthetic Phonics.

““ After just six months, most of my Kindy children are between six months and two years ahead of their expected level. ””

— Jaki Pope-Sitters, Balaclava State School, Queensland

““ Thousands of primary school students have recorded stunning improvements in literacy after using a cutting-edge phonics-based program... Get Reading Right is creating an educational revolution in classrooms. ””

— The Australian

## The Synthetic Phonics Advantage:

**Date:** Monday, 3<sup>rd</sup> November | **Time:** 3:45pm | **Venue:**

### Join synthetic phonics expert, Katherine Wood, to learn:

- What is synthetic phonics
- How to show fast improvements in your NAPLAN literacy results
- How to get these improvements in spelling as well as reading
- How these techniques can be just as successful with second language learners
- How easy it is to teach synthetic phonics – you'll feel ready to go - right away
- How to make phonics lots of fun with multi-sensory games and activities
- How synthetic phonics ensures children surpass the NSW Literacy Continuum clusters

### About the Trainer:

Katherine is the Managing Director of Get Reading Right. She works with schools across Australia getting them going with synthetic phonics, and is responsible for the implementation of the program in over 100 schools. She also led the development of Phonics Hero, the Get Reading Right online games platform.

““ Synthetic phonics has meant incredible leaps in our students' NAPLAN literacy results. ””

— Hani Zahra, Deputy Principal, Blaxcell Street Public School, Sydney
